Indulging inaccuracy, I'm picking apart my friend Lizzie  
Throw another word on me and watch me hurl it back  
I know you, I swear I do, you're just like me  
You're sipping a cup of pity, aw

Did I forget to mention, I'm the center of attention  
In my universe Mm pain's my pension  
I know you, I swear I do, you're just like me  
You're sipping a cup of dreams, yeah

Soul sloshing, don't shush me  
Just listen to me, pretty little kitty in the sky  
The bass of my laughter, my gut is the speaker  
Ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha  
Sweet is my surprise

Self involved security, yet you are such a part of me  
And somehow what we do, seeps into me, seeps into  
you  
It's subtle, it's creepy knees, it's condescension versus  
humility  
I know you, I swear I do, you're just like me  
You're sipping a cup of pity, aw

Did I forget to mention , I'm the center of attention  
In my universe , my pain's my pension  
I know you, I swear I do, you're just like me  
You're sipping a cup of dreams, yeah

Soul sloshing, don't shush me  
Just listen to me, pretty little kitty in the sky  
The bass of my laughter, my gut is the speaker  
Ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha  
Sweet is my surprise, sweet is my surprise

Soul sloshing, don't shush me  
Just listen to me, pretty little kitty in the sky  
The bass of my laughter, my gut is the speaker  
Ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha

Soul sloshing, don't shush me  
Just listen to me, pretty little kitty in the sky

The bass of my laughter, my gut is the speaker  
Ha, ha, ha, ha, ha, ha, ha, ha, ha, ha  
Sweet is my surprise, sweet is my surprise  
Sweet is my surprise, sweet is my surprise
