Special dedication  
for all the ladies out there  
in this whole world, looking for that perfect man

When I was a little girl,  
I would sit and dream,  
hopin' I would find,  
find the perfect man.  
Now that I can see,  
true reality  
tear drops fill my eyes,  
'cause there is no perfect man

It seems like everyone in this world  
is looking for perfection  
but how do we find something that doesn't exist?  
know what I'm saying? mamacita...  
I would give my life for you, no matter what the  
situation  
last days of hope, trials and tribulations  
frustrations, killing every woman and man  
if you can see what I see, then you might understand  
that I  
could never be a perfect man up in this chaos  
a soul, with a musical dream like Armadias  
I've given everything, sweat, blood 'n tears  
and made a vow to the Lord to stay for a million years.  
I guess too much is never enough,  
when the silence in our souls begins to erupt  
so forgive me girl, if I ruined your plans  
I can only try, but never be a perfect man.

When I was a little girl,  
I would sit and dream,  
hopin' I would find,  
find the perfect man.  
Now that I can see, (dedicated)  
true reality, (to my little girl)  
tear drops fill my eyes, (I love you Deja)  
'cause there is no perfect man.

8/11/98, God blessed me with a perfect baby girl,  
such in a perfect world,  
I cried when she took her first breath,  
why God? when this world is filled with hate and  
disease  
most for overseas, and when the catastrophes,  
forward to this new millennium,  
she'll be one and a half, too young to understand  
and Lord know, this man and his life's not perfect,  
my mistakes are her learnin' points  
hopin she can learn from 'em.  
So many caught up in the fast lane  
lovers of themselves, greed, or lust  
her little hand got in this man  
her little heart, holdin all my trust  
I'm eye to eye with my destiny.  
I can't believe I'm staring God's masterpiece face to  
face  
you'll never understand how much you've changed this  
man  
who has to learn from scratch  
on how to raise a woman  
'cause if perfection is needed, I guarantee it to be  
everything she dreams !!

When I was a little girl,  
I would sit and dream,  
Hopin' I would find, (yeah)  
find the perfect man (this goes out)  
Now that I can see, (to the girl I love)  
true reality (love you baby)  
tear drops fill my eyes, (believe that)  
'cause there is no perfect man

There's been some time when me and you are like  
shinin'  
who'd imagine, it'd be you I'd be findin'  
someone so real who'd take care of my heart  
anybody, if they tried, couldn't pull us apart  
you were there from day one 'til this present time  
working hard for the money when I couldn't get mine  
you should be the definition of what love really is  
I know every man wish their girl was like this.  
I put you through some things, best believe that I'm  
sorry  
my love goes out to you, no one fits your category  
you don't talk back, and respect what I say  
independent strong woman, no time for child's play  
deserve more than I've got and you still stick around  
I'm not the perfect man but for you I bow down.  
I wanna be your man 'til the Lord takes us to the clouds

ain't no perfect men or perfect women all around !!

When I was a little girl,  
I would sit and dream,  
hopin' I would find,  
find the perfect man.  
Now that I can see,  
true reality  
tear drops fill my eyes,  
'cause there is no perfect man
