A house with love in it is rich indeed  
Although there are a thousand things that house may  
need  
The carpet may be old, the room so plain and bare  
And yet it's beautiful somehow, when love is living  
there  
A house with love in it just seems to bloom  
As though the month of May were filling every room  
So, darling, through the years with all my heart I'll  
pray  
A house with love in it is where we'll stay

A house with love in it just seems to bloom  
As though the month of May were filling every room  
So darling, through the years with all my heart I'll pray  
A house with love in it is where we'll stay
