"If You Love Me, Really Love Me"

If the sun should tumble from the sky
If the sea should suddenly run dry
If you love me, really love me
Let it happen, I won't care
If it seems that everything is lost
I should smile and never count the cost
If you love me, really love me
Let it happen, darling, I won't care

Shall I catch a shooting star?
Shall I bring it where you are?
If you want me to, I will
You can set me any task
I'll do anything you ask
If you'll only love me still

When at last our life on earth is through
I shall share eternity with you
If you love me, really love me
Then whatever happens, I won't care

Then whatever happens, I won't care
