Over the ground lies a mantil of white  
A heaven of diamonds shine down through the night  
Two hearts are thrilling in spite of the chilling weather

Love knows no season, love knows no clime  
Romance can blossom any old time  
Here in the open, we're walking and hopin' together

Sleigh bells ring, are you lis'nin'  
In the lane, snow is glis'nin'  
A beautiful sight, we're happy tonight  
Walking in a winter wonderland

Gone away, is the bluebird  
Here to stay, is a new bird  
He sings a love song, as we go along  
Walking in a winter wonderland

In the meadow we can build a snowman  
Then pretend that he is Parson Brown  
He'll say are you married? We'll say no man  
But you can do the job when you're in town

Later on, we'll conspire, as we dream by the fire  
To face unafraid, the plans that we made  
Walking in a winter wonderland

In the meadow we can build a snowman  
And pretend that he's a circus clown  
We'll have lots of fun with Mister Snowman  
Until the other kiddies knock him down

Later on, we'll conspire, as we dream by the fire  
To face unafraid, the dreams that we made  
Walking in a winter wonderland  
Walking in a winter wonderland  
Walking in a winter wonderland ...
