Intro The maestro Nice flow Hot like nitro Cool as ice  
though

That type of docodimy Y'all know it's gotta be Who else  
could it be but me

Rub your eyes but hold the big Billy

It's dream supreme bean straight from Philly

It's the eclectic female attractor rapper slash actor  
Right back at ya

And to the next millinium many come but few are  
chosen

See me servin' like the U.S. Open Another type of  
hustler listed at Blockbuster

Go and ask a movie usher Who is he, he or she

SFP, movies CD's, and TV's, but uh uh 'cause the day I  
take a break from that

As I rule where a tank of gas take me at I used to rock  
these Red, I rock Z's

Now I rock the MB's With twelves and V's Today sun up  
high In the sky From NY

La la me to MI (1) Just Cruisin' Where, baby, I don't care  
Just Cruisin'

As long as you take me there Just Cruisin' Somewhere  
to clear my mind

Just Cruisin' Just Cruisin' Easy wrote a sixty Flossin'  
ninety degrees

Sony cartridges, ten CD's each Reach to the beach  
South side leanin'

It ain't often I'm off and I'm for the top down drop down

Got me hot now heated up can't stop now

What up cutie what sure sure is cooking now Yo I know

I'm spoken for can't hurt lookin' no Pop CD's, B-I-G's,  
and Tupac's

While cruisin' on the blocks Hittin' the hot spots Got my  
celly on O-F-F

Golden arches got my belly goin' oh yes yes

So let's just ease on down ease on down the road No  
pager roll my hip

As I rollin' my whip 'Cause today I'm on the solo creek

Man, why you think I be workin' all week I'm (1, 1) Sun  
settin' in the S-K-Y

Must say I've had the best day I Tryin' to find an exit

A place to chill not to hectic So I can spend some time  
with Will

Let the sun shine to the moonlight clearin' my mind

Soul search, see what I find If I'm being the best lover  
and friend

Am I being the best daddy I can I pray I am And I feel  
good today

Reminiece as I'm cruisin' around the way

Roll tight passed the park where I used to play

Can't think of a better way to spend my day Uh, still  
findin' my way

Still growin' Petrol rowin' Move soon showin'

Gots to get goin' losing the light And the freaks come  
out at night (1, 1)
