Panda Dandilee,  
Oh I wish,  
I could be free,  
Through the forests,  
And the ocean,  
It is like,  
A magic potion.

I love him so,  
He's my little tie and bow,  
Oooo,  
Woah oo woah.

Duwap duwap,  
Duwap duwap,  
Duwap duwap,  
Duuwaap,  
Duwap duwap.

Honey bear,  
Give me love and care,  
Through your ankles,  
And your spleen,  
Oh baby honey,  
Don't be mean.

Duwap duwap,  
Duwap duwap,  
Duwap duwap,  
Duuwaap,  
Duwap duwap.

Panda Dandilee,  
Oh I wish,  
I could be free,  
Through the forests,  
And the ocean,  
It is like,  
A magic potion.
