I've been running around
And turning upside down
Spending my life
On the lost side I've found
How did you ever see
The very best inside of me
Thanks to your love
And so truthfully
Chorus:
And all I do
I do for you
A love dedicated
To all that you are
And all I do
I do for you
It's a lifetime I've waited
For something so real to touch my heart
I've been singing a song
Of love and it's too long
Roaming my world
Floating through time
How'd you get me to shine
'Cause now I'm making up my mind
Starting today
I am one with you
Chorus:
And all I do
I do for you
A love dedicated
To all that you are
And all I do
I do for you
It's a lifetime I've waited
For something so real to touch my heart
And I won't forget the day
You took my breath away
Became my only everything
And your love keeps shining through
And my heart beholds the truth
There's no kind of joy you don't bring me
And these thoughts of you and everything I do

Chorus:
And all I do
I do for you
A love dedicated
To all that you are
And all I do
I do for you
It's a lifetime I've waited
For something so real to touch my heart
