LYRICS: Staaacks (Stacks)

the love of money is the root of all evil
but that dont mean you cant get it,
just dont be in love with it.

Stacks, Stacks, gotta go and get moreï»¿ Stacks
Stacks, Stacks, Stacks for the Natalac
Stacks, Stacks, gotta go and get more Stacks
Cause Stacks, them Stacks, them Stacks got my back.

And a down ass broad do what I tell her to do
And keepin it real when liï»¿ spittin in the booth.

The only thing I want from the government
Is enough stacks that cant be spent

And I put that on everything
My name aint Lil Wayne, let that nigga make it rain
Pimp of the city makin capital game
This is my game this is my thang

Stacks, Stacks, gotta go and get more Stacks
